A score of 70 is passing. You must pass the Core Examination before you can be certified in any phase of structural pest control. If you failed the first examination, you may be re-examined on any regularly scheduled examination date. Payment of the examination fee (\$25.00 per phase) is required before each examination is taken. You must pre register no less than 10 days prior to each examination. For additionally study materials please follow this link <http://www.ncagr.gov/SPCAP/structural/licensingcertification.htm>

If you passed both the Core Examination and at least one phase examination and wish to obtain your certified applicator's identification card, please download and complete the application and return it to this office, along with a check or money order in the amount of \$50.00. You must obtain your card within six months from the date on which you passed the examination(s). Structural pest control certified applicator's cards are not prorated; all cards expire June 30th of each year and must be renewed prior to that date if the applicator is to continue working without interruption.
